

# AI-enhanced English Writing Workshop

## Think Better. Write Smarter. Learn with AI.

In this hands-on English writing workshop for Upper Primary students (P4-P6), participants will learn to use AI safely and effectively to **plan, write, and improve their English writing, while developing essential AI literacy and building customised AI tools** to support independent learning.

### Dr Alex Lap Kwan LAM

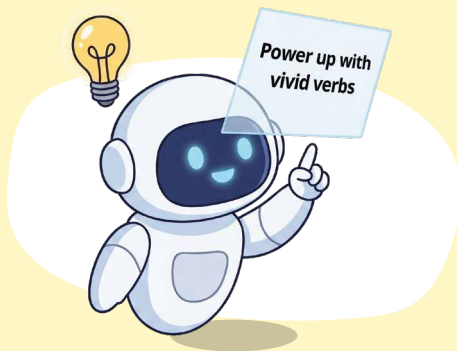

- Lecturer I, Department of Curriculum and Instruction, EdUHK
- PhD in Education, CUHK
- M.A. in English Language Teaching, CUHK

**Led by an expert in e-learning and blended learning**

**Safe & practical AI learning**

- AI idea and image generation
- Create custom AI writing tools

**Smarter English writing**

- Guided writing practice
- AI writing feedback

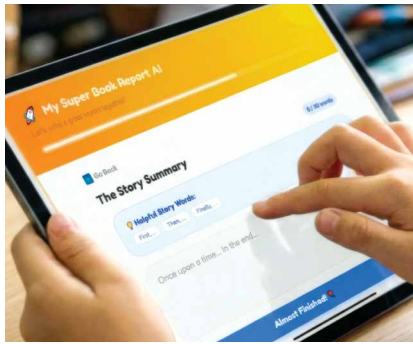

**Certificate of completion**

Participants will receive a certificate upon completing the workshop

# Workshop Highlights

## Session 1 Pre-writing

Use pre-made AI app to help:

- ▶ Generate ideas
- ▶ Plan topic
- ▶ Organise essay structure

## Session 2 In-class writing

Make writing easier and more fun with pre-made AI app:

- ▶ Step-by-step guide
- ▶ Image generation

## Session 3 Post-writing

Learn to build AI tools using guides and templates to improve your writing by:

- ▶ Checking grammar
- ▶ Polishing style
- ▶ Refining content

### HKD9,000 per class (3 sessions × 1 hour)

#### Remarks:

- Class duration and frequency can be customised based on your school's needs.
- Target audience: Primary 4-6 students, approximately 20 students per class.
- Requirements: Computer lab or classroom with individual tablet access for each student.
